---	---	---

**Brief description of the Transnational cooperation:**

Our company, educational and consulting company of Czech republic, is preparing the project based on international cooperation between our company and foreign company/companies from EU with aim:

- a) Exchange know-how of system of adults education.
- b) Exchange know-how of system of social integration of people, who are endangered by social exclusion (the long term unemployed people, people -25, 50+ and others), methods of social integration concentrate on the education, consultation, motivation and others.

The international cooperation will include:

- exchange of informations and experiences
- adoption and adaptation of new methods
- analysis, study visits
- organisation of conference, workshops, meetings
- and others

In case of need, the international cooperation can be form only at one of introduced aim.

***Disclaimer: by sending the completed Project fiche, you agree for publication on the National Supporting Institution web site and dissemination to potential transnational partners for the purpose of effective implementation of transnational cooperation projects.***
